# CANCELLATION AND REFUND POLICIES

## TEXAS

### **CANCELLATION POLICY**

A full refund will be made to any student who cancels the enrollment contract within 72 hours (until midnight of the third day excluding Saturdays, Sundays and legal holidays) after the enrollment contract is signed. A full refund will also be made to any student who cancels enrollment within the student's first three scheduled class days, except that the school may retain not more than \$100 in any administrative fees charged, as well as items of extra expense that are necessary for the portion of the program attended and stated separately on the enrollment agreement. (\*\*see below)

### **REFUND POLICY**

1. Refund computations will be based on scheduled course time of class attendance through the last date of attendance. Leaves of absence, suspensions, and school holidays will not be counted as part of the scheduled class attendance.
2. The effective date of termination for refund purposes will be the earliest of the following: (a) The last day of attendance, if the student is terminated by the school; (b) The date of receipt of written notice from the student; or (c) Ten school days following the last date of attendance.
3. If tuition and fees are collected in advance of entrance, and if after expiration of the 72 hour cancellation privilege the student does not enter school, not more than \$100 in any administrative fees charged shall be retained by the school for the entire residence program or synchronous distance education course.
4. If a student enters a residence or synchronous distance education program and withdraws or is otherwise terminated after the cancellation period, the school or college may retain not more than \$100 in any administrative fees charged for the entire program. The minimum refund of the remaining tuition and fees will be the pro rata portion of tuition, fees, and other charges that the number of hours remaining in the portion of the course or program for which the student has been charged after the effective date of termination bears to the total number of hours in the portion of the course or program for which the student has been charged, except that a student may not collect a refund if the student has completed 75 percent or more of the total number of hours in the portion of the program for which the student has been charged on the effective date of termination.<sup>1</sup>
5. Refunds for items of extra expense to the student, such as, books, tools, or other supplies are to be handled separately from refund of tuition and other academic fees. The student will not be required to purchase instructional supplies, books and tools until such time as these materials are required. Once these materials are purchased, no refund will be made. For full refunds, the school can withhold costs for these types of items from the refund as long as they were necessary for the portion of the program attended and separately stated in the enrollment agreement. Any such items not required for the portion of the program attended must be included in the refund.
6. A student who withdraws for a reason unrelated to the student's academic status after the 75 percent completion mark and requests a grade at the time of withdrawal shall be given a grade of "incomplete" and permitted to re-enroll in the course or program during the 12-month period following the date the student withdrew without payment of additional tuition for that portion of the course or program.
7. A full refund of all tuition and fees is due and refundable in each of the following cases: (a) An enrollee is not accepted by the school; (b) If the course of instruction is discontinued by the school and this prevents the student from completing the course; or (c) If the student's enrollment was procured as a result of any misrepresentation in advertising, promotional materials of the school, or representations by the owner or representatives of the school.

*A full or partial refund may also be due in other circumstances of program deficiencies or violations of requirements for career schools and colleges.*

### **REFUND POLICY FOR STUDENTS CALLED TO ACTIVE MILITARY SERVICE**

A student of the school or college who withdraws from the school or college as a result of the student being called to active duty in a military service of the United States or the Texas National Guard may elect one of the following options for each program in which the student is enrolled:

- (a) If tuition and fees are collected in advance of the withdrawal, a pro rata refund of any tuition, fees, or other charges paid by the student for the program and a cancellation of any unpaid tuition, fees, or other charges owed by the student for the portion of the program the student does not complete following withdrawal;
  - (b) A grade of incomplete with the designation "withdrawn-military" for the courses in the program, other than courses for which the student has previously received a grade on the student's transcript, and the right to re-enroll in the program, or a substantially equivalent program if that program is no longer available, not later than the first anniversary of the date the student is discharged from active military duty without payment of additional tuition, fees, or other charges for the program other than any previously unpaid balance of the original tuition, fees, and charges for books for the program; or
  - (c) The assignment of an appropriate final grade or credit for the courses in the program, but only if the instructor or instructors of the program determine that the student has:
    - (1) satisfactorily completed at least 90 percent of the required coursework for the program; and
    - (2) demonstrated sufficient mastery of the program material to receive credit for completing the program.
9. The payment of refunds will be totally completed such that the refund instrument has been negotiated or credited into the proper account(s), within 60 days after the effective date of termination.

**\*\*Non-Refundable Fees:** The U.S. Department of Transportation Federal Motor Carrier Safety Regulations: Part 382 Controlled Substance and Alcohol Use and Testing, Part 391/Subpart C Background and Character, and Part 391/Subpart E Physical Qualifications and Examinations require that each student have a D.O.T. Drug Test, Physical, and complete a background check. The cost of these services is the responsibility of the student, agency, or company. If these services are available at the school and the student, agency, or company chooses to use the school services, the costs of these services will not be refunded. This is also true of any other costs such as lodging and/or fees required by the State of Texas Department of Public Safety that were paid on behalf of the student. Though fees are not set by Roadmaster Drivers School of San Antonio we have included the normal cost of these fees in the catalog.

<sup>1</sup> More simply, the refund is based on the precise number of course time hours the student has paid for, but not yet used, at the point of termination, up to the 75% completion mark, after which no refund is due. Form PS-1040R provides the precise calculation.

## **VETERANS' SERVICES**

Student eligibility for Veterans Education Benefits is established by the Veterans Administration. Initial eligibility and continued eligibility during enrollment is determined by the VA. The following policies are applicable to students receiving VA Benefits:

### **VETERANS' ATTENDANCE POLICY**

VA students must adhere to the same attendance policy as other students attending Roadmaster. In addition to the attendance policy stated in this catalog, students receiving VA benefits in order to attend Roadmaster, must also adhere to the following:

- Students who are tardy or absent any time up to 19% of the program time may be placed on verbal or written attendance warning.
- Students missing 20% or more of the program will be dismissed.
- Absences are counted in exact time increments ( 2 hours absent equals 2 hours toward the 20% maximum.)

### **STANDARDS OF SATISFACTORY PROGRESS FOR VA STUDENTS**

Students receiving VA benefits are required to maintain satisfactory progress to remain in good academic standing. Satisfactory Academic Progress for VA students is defined as follows:

- A veteran must maintain an overall point average of at least a **C, seventy (75%)**, at the end of each grading period
- If the cumulative grade point average falls below a **C, seventy (75%)**, the student will be placed on probation for the next evaluation period
- If the grade point average remains below **75%** at the end of the next evaluation period, the VA will be notified of the probation, thus leading to the termination of the benefits
- VA students may request reinstatement after a full term of dismissal has passed
- The grading period is defined as weekly.

### **VETERANS' REFUND POLICY**

In the event that veterans or their eligible persons sponsored as students under Chapters 30, 32, 35 of Title 38 and Chapter 1606 or Title 10 U.S. Code, fail to enter the Program or withdraw or are discontinued therefrom at any time prior to completion, the amount charged for tuition, fees, and other charges shall not exceed the approximate pro rata portion of the total charges for tuition, fees, and other charges that the length of the non-accredited program bears to its total length. A registration fee of \$10 need not be refundable: any amount beyond that is subject to pro ration and refund (CFR 21.4254(c)(13). The pro rata portion may not vary more than 10 percent of the total costs for tuition, fees, and other charges. (Refer to page 9 for additional information.)

### **VETERANS' TRANSFER OF CREDIT POLICY**

# **Student Harassment, Sexual Misconduct and Sexual Violence Policy**

**ROADMASTER DRIVERS SCHOOL** intends to provide an educational environment that is free from harassment of students based on sex, race, color, religion, national origin, age, disability, veteran, or marital status. This policy prohibits any student, employee, or visitor from harassing another student, employee, or visitor at any Roadmaster Drivers School location on the basis of sex, race, color, religion, national origin, age, sexual orientation disability, or veteran or marital status.

## **SEXUAL VIOLENCE**

Sexual violence is defined as a sexual act committed against someone without that person's freely given consent. Sexual violence is divided into the following types:

- Completed or attempted forced penetration of a victim
- Completed or attempted alcohol/drug-facilitated penetration of a victim
- Completed or attempted forced acts in which a victim is made to penetrate a perpetrator or someone else
- Completed or attempted alcohol/drug-facilitated acts in which a victim is made to penetrate a perpetrator or someone else
- Non-physically forced penetration which occurs after a person is pressured verbally or through intimidation or misuse of authority to consent or acquiesce
- Unwanted sexual contact
- Non-contact unwanted sexual experiences

## **CONSENT**

Sexual activity requires consent, which is defined as voluntary, positive agreement between the participants to engage in specific sexual activity.

### ***Communicating consent:***

- Consent to sexual activity can be communicated in a variety of ways, but one should presume that consent has not been given in the absence of clear, positive agreement.
- While verbal consent is not an absolute requirement for consensual sexual activity, verbal communication prior to engaging in sex helps to clarify consent. Communicating verbally before engaging in sexual activity is imperative. However potentially awkward it may seem, talking about your own and your partner's sexual desires, needs, and limitations provide a basis for a positive experience.
- Consent must be clear and unambiguous for each participant at every stage of a sexual encounter. The absence of "no" should not be understood to mean there is consent.
- A prior relationship does not indicate consent to future activity.

### ***Alcohol and Drug Related Consent:***

- A person who is asleep or mentally or physically incapacitated, either through the effect of drugs or alcohol or for any other reason, is not capable of giving valid consent.
- The use of alcohol or drugs may seriously interfere with the participants' judgment about whether consent has been sought and given.

## **DRUG OR ALCOHOL FACILITATED SEXUAL VIOLENCE**

In cases of drug-facilitated sexual assault, survivors often blame themselves. Remember—you are not to blame. Someone took advantage of you, and that is not your fault.

### ***What is drug-facilitated sexual assault?***

Drug-facilitated sexual assault occurs when alcohol or drugs are used to compromise an individual's ability to consent to sexual activity. These substances make it easier for a perpetrator to commit sexual assault because they inhibit a person's ability to resist and can prevent them from remembering the assault. Drugs and alcohol can cause diminished capacity, a legal term that varies in definition from state to state.

You may have heard the term “date rape drugs” to refer to substances that can aid a perpetrator in committing sexual assault. Drug-facilitated sexual assault can happen to anyone, by anyone, whether the perpetrator is a date, a stranger, or someone you’ve known for a while.

### ***How does a perpetrator use drugs and alcohol?***

Drug-facilitated sexual assault occurs in two ways: when the perpetrator takes advantage of a victim’s voluntary use of drugs or alcohol or when the perpetrator intentionally forces a victim to consume drugs without their knowledge.

Some victims blame themselves for drinking too much at a party or putting themselves in a potentially dangerous situation. It’s important to remember that if a sexual assault occurs under these circumstances, it is still not your fault. The blame falls on the perpetrator who took advantage of you.

A perpetrator may intentionally drug a victim, resulting in a situation where it is easy to manipulate the circumstances and commit an assault. Perpetrators use a variety of substances to incapacitate a victim.

- Alcohol is the most commonly used substance in drug-facilitated sexual assault.
- Prescription drugs like sleep aids, anxiety medication, muscle relaxers, and tranquilizers may also be used by perpetrators.
- Street drugs, like GHB, rohypnol, ecstasy, and ketamine can be added to drinks without changing the color, flavor, or odor of the beverage.

### ***How will I know if I've been drugged?***

Depending on the substance, the initial effects of a drug can go unnoticed or become apparent very quickly. Being familiar with the warning signs can help alert you to the possibility of drugs in your system. If you notice any of the following warning signs in yourself or someone you know, reach out to someone you trust immediately. If you notice these symptoms in another person, you can take steps to keep that person safe.

- Nausea
- Loss of bowel or bladder control
- Difficulty breathing
- Feeling drunk when you haven’t consumed any alcohol or very limited amounts
- Sudden increase in dizziness, disorientation, or blurred vision
- Sudden body temperature change that could be signaled by sweating or chattering teeth
- Waking up with no memory, or missing large portions of memories

### **RISK EDUCATION AND PERSONAL PROTECTION**

It is important to understand the risks associated with certain behaviors as they relate to Sexual Violence and Sexual Harassment both on and off campus. The following should be considered in guarding against potential incidences of Sexual Violence and Sexual Harassment:

- Be aware of your surroundings at all times. Do not venture into unknown or unsafe areas
- Inform friends or family of your plans and make a point to check-in with them on a regular basis
- Avoid consuming any amount of alcohol which would impair your faculties or judgment
- Do not accept an open container of food or drink
- If you feel uncomfortable or unsafe in any situation, do not be afraid to contact the School Director or local law enforcement for help
- Consider keeping a noise making device such as a whistle or horn with you at all times to alert others in case you are in distress
- Contact local law enforcement or the women’s crisis center for additional information on steps you can take to guard against Sexual Violence or Sexual Harassment

## **FORMS OF PROHIBITED HARASSMENT AND SEXUAL MISCONDUCT**

- A. Any verbal, physical or other conduct based on a person's sex, race, color, religion, national origin, age, disability, or veteran or marital status that has the purpose or effect of threatening or intimidating or coercing another, or impairing academic performance, career development, or any other aspect of education is prohibited harassment. This policy not only prohibits instructor harassment of students, it also prohibits misconduct by any member of our educational community toward an instructor, staff member, or a fellow student.
- B. Prohibited harassment (including sexual harassment) does not refer to behavior or occasional compliments of a socially acceptable nature. However, some behavior that is acceptable in a social setting may not be appropriate in the workplace or school setting. It refers to behavior that is not welcome, that is personally offensive, that fails to respect the rights of others, that lowers morale and, therefore, interferes with academic performance.
- C. The victim does not have to be the person toward whom the unwelcome conduct is directed, but may be someone who is affected by such conduct when it is directed toward another person. For example, the harassment of an employee or student may create for another employee or student an intimidating, hostile, or offensive environment.
- D. Any act of "quid pro quo" ("something for something") sexual harassment, where a student, supervisor, instructor, or other employee with the power or authority to grant or withhold benefits or privileges, demands sexual favors in exchange for benefits or privileges. No student or employee should so much as imply that another student or employee's "cooperation" with sexual demands will have any effect on academic performance, career development, or any other aspect of education.
- E. Unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature when submission to or rejection of such conduct is used as the basis for decisions or has the purpose or effect of unreasonably interfering with an individual's performance or creating an intimidating or hostile environment.
- F. Examples of conduct that is prohibited by this policy include, but are not limited to, the following:
  - Explicit or implicit demands for sexual favors in return for benefits or privileges.
  - Unwelcome letters, e-mail communications, or telephone calls of a sexual nature.
  - Distribution or display of materials of a sexual nature, including posters, screen savers or computer graphics, calendars, or pictures of men or women who are dressed in a suggestive manner.
  - Using Roadmaster Drivers School's facilities, time, or resources in relation to any form of entertainment which tends to present men or women as sexual objects.
  - Physical assaults of a sexual nature or coerced sexual contact.
  - Unwelcome and deliberate touching, leaning over, cornering, pinching, or other untoward sexual behavior.
  - Unwelcome sexually suggestive looks or gestures.
  - Unwelcome pressure for sexual favors or dates.
  - Unwelcome teasing, jokes, remarks, innuendos, insults, questions, or vulgar language that relates to or is based on a person's sex. Students and staff are asked to be mindful of others around them. Comments not intended as harassment, and not perceived as such by the person to whom they are directed, may be offensive and unwelcome to another employee or student who overhears them.
  - Affording favorable treatment to those who grant sexual favors, or unfavorable treatment to those who refuse to submit to or reject requests for sexual favors.
  - Drug and Alcohol facilitated sexual misconduct whether consumed voluntarily or involuntarily by either the victim or the assailant.
  - This policy prohibits sexual harassment of people of the opposite sex (male toward female, female toward male) or people of the same sex (male toward male, female toward female). This policy not only prohibits instructor sexual harassment of students, it also prohibits misconduct by any member of our educational community toward an instructor, staff member, or a fellow student.

## **STUDENT RESPONSIBILITIES FOR REPORTING PROHIBITED HARASSMENT, INCLUDING SEXUAL HARASSMENT AND SEXUAL VIOLENCE**

- A. It is the duty and obligation of all students to comply with this policy and to report conduct that they believe to be prohibited harassment. Sexual Violence can result in the transmission of disease and/or pregnancy. In addition to obtaining preventative treatment, it is important for the victims of sexual violence to report the incident immediately so that evidence of the assault can be collected and preserved. As such, any violations of this policy or instances of sexual violence must be reported immediately.

- B. Any student who believes that he or she is being harassed is encouraged to confront the person or persons responsible for causing the offense. Often the simplest and most effective way to put an end to harassing behavior is to tell the harasser that the behavior is offensive and unwelcome and to stop.
- C. If the misconduct continues, or if the student feels uncomfortable about confronting the harasser, he or she should bring the improper conduct to the attention of the appropriate member of management using the following complaint procedure:
  - Any student who believes that he or she is being harassed should promptly report her/his concerns to:
  - The Office Administrator, and/or
  - The School Director
  - Any student may report any concerns or violations of this policy directly to the corporate headquarters of Roadmaster Drivers School by contacting (727)342-6420 and requesting to speak with the Compliance Director.
  - It is the responsibility of each Supervisor within his or her area of control to report student complaints in writing to the School Director immediately.
  - Roadmaster Drivers School will investigate all harassment complaints including talking with witnesses as appropriate, and in doing so will make every effort to treat the complaint and resulting investigation discreetly and as confidentially as possible, while still investigating thoroughly. School staff will notify the Corporate Office before beginning and investigation.
  - If the report of prohibited harassment is substantiated, Roadmaster Drivers School will take corrective action it deems appropriate. Based on the severity of the offense in the case of an employee violator, the action may include, but is not limited to, oral or written reprimand, demotion, suspension, or termination. Based on the severity of the offense in the case of a student violator, the action may include, but is not limited to, oral or written reprimand, suspension, or expulsion.
  - It is important to recognize that the victim of harassment or sexual misconduct is not at fault.
- D. If students have any questions regarding sexual harassment in the school/externship site or this policy, they should contact the Office Administrator or School Director.
- E. The law prohibits retaliation for reporting any form of illegal harassment, or for filing a complaint, testifying, assisting, or participating in any manner in an investigation, proceeding, or hearing regarding any form of illegal harassment. Roadmaster Drivers School will take appropriate measures to ensure that no such retaliation occurs.
- F. Continued compliance with these policies will assure that the learning environment at Roadmaster Drivers School remains harassment free and that employees and students treat each other with mutual respect.

#### **CAMPUS SEXUAL ASSAULT VICTIMS' BILL OF RIGHTS**

In the event of an allegation of Sexual Violence, Assault or Harassment, the following rights shall be afforded to the parties involved during the course of the investigation:

- The accuser and accused shall have the same opportunity to have others present during questioning and investigation;
- Both parties shall be informed of the outcome of any disciplinary proceeding;
- Survivors shall be informed of their options to notify law enforcement;
- Survivors shall be notified of options for changing academic and living situation.

#### **CONCERN AND CONTACTS**

All Students are reminded that sexual misconduct can result in the transmittal of sexual diseases and perhaps pregnancy. Immediate attention from a medical facility is extremely important for cases of a sexual nature in particular.

Roadmaster has a list of community services and agencies to assist individuals who may be the victims of sexual assault or sexual misconduct. Lists are available from the School Director. Victims may always contact Rose Lynn Greene, Title IX Coordinator, (727)342-6420 for additional assistance.

#### **FALSE CLAIMS**

As harassment charges are taken with tremendous concern, any person who knowingly makes a false and fraudulent claim of harassment may be subject to disciplinary action up to and including expulsion from Roadmaster Drivers School.
